China

2005.8.24, Nowy Sacz

Who Am I?

- Secretary General of CCF (2004, Deputy SG since 96), associate professor at Institute of Computing Tech. (since 92)
- In charge of China NOI (Since 97)
- Master degree on computer science (84)
- Worked at Twente University in Netherlands (88-89)
- Research on computer architecture and system software (82-96)
- IC member (97-03), IC Chairman (01)

What Did I Do?

- As Chairman, organized IOI2000, making it very successful
- Promoted CNOI, around 70,000 Chinese students in high schools participate in the NOI every year
- Nationwide networks set up
-

Why for the IOI President?

1. Knowing problems of IOI and having ideas and plans to improve it
2. Fully understanding the requirements of GA members, both non-English speaking and English speaking members, good communications with the GA members
3. Rich experiences on organizing NOI/IOI
4. Solid background on computer science

What to do?

1. Improving GA decision making mechanism and efficiency, letting GA members feel they really own the IOI: every country can speak out easily!!
2. Improving IOI regulations and systems
3. Run IOI professionally
4. Promoting the IOI, Fundraising
5. Communicating with UNESCO and other Olympiads

I have:

2. Experience and New ideas
3. Enthusiasm
4. Solid background on CS
5. Energy & necessary time
6. Capability to cooperate with others
7. Support from CCF and the CAST

**You will see
a brilliant future of IOI
in 3 years!**
